

Web Announcement 18

Claims Denied Due to Error Codes 0301, 0302, 0249 and 0330:

Medicaid Practitioners who submit claims on a CMS-1500 form and who have been receiving pends due to Error Codes 0301, 0302, 0249 and 0330 (Duplicate of History File Record – same provider, same recipient, same date of service and same procedure) are requested to take no action at this time.

First Health Services is recycling claims with Error Codes 0301, 0302, 0249 and 0330; your future Remittance Advices (RAs) will report their status. Future duplicate claims submitted will be denied.
